# NAVAL ARCHITECTS

## YACHT DESIGN & REFIT SERVICES

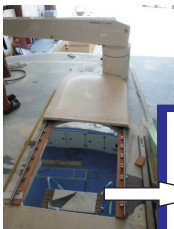

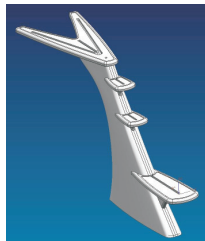

Ocean5 specializes in providing comprehensive contract design services for your project from concept to completion. With extensive experience developing concept, contract, and detailed/fabrication level design, Ocean5 is ready to support your project. Services include preparation of arrangement drawings, structural drawings, & calculations, mechanical systems design, and electrical bid specifications.

The team is led by Robert Kaidy NA, former director of naval architecture at Palmer Johnson Savannah, and John Canada, former chief naval architect for Whitticar Custom Yachts. The staff at Ocean5 is dedicated to supporting an on-budget, on-time refit or new build.

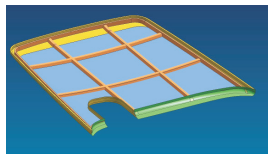

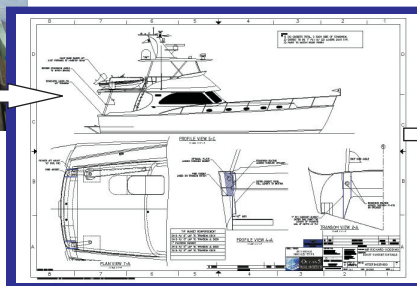

Ocean5 is centrally located to provide on-site support for your project from throughout the southeast including, Palmer Johnson Savannah, Direktor, Atlantic Marine, Bradford Marine, Derekor, & Lauderdale Marine Center.

### Specialties Include:

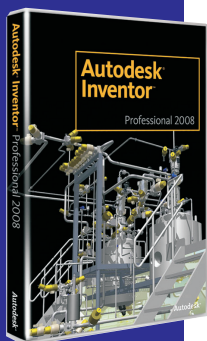

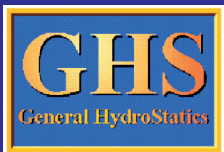

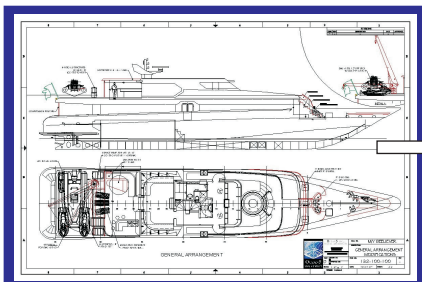

- Exterior modifications, styling, hardtops, masts, cranes & foundations.
- Interior accommodations modifications & renovations, ADA access
- Main engine repower, mechanical refits, interceptors, machinery foundations
- Electrical control panels, load calcs, & wire sizing
- Stability analysis, inclinings, regulation, & class compliance
- Custom refrigeration, HVAC integration, lighting, & electrical
- Lightweight composite carbon-epoxy construction
